

## Content Course Eligibility Checklist for Early Childhood/Elementary Education ARL Applicants

### APPLICANT'S PRACTICE WORKSHEET (unofficial)

USE THE FOLLOWING WORKSHEET TO COMPLETE YOUR OWN TRANSCRIPT REVIEW. LIST APPLICABLE COURSES, CREDITS, AND GRADE. ONLY COUNT UP TO THE MAXIMUM ALLOWED CREDITS. COURSES MUST BE APPLICABLE TO TEACHING ELEMENTARY-AGED STUDENTS. NOT ALL COURSES ON A TRANSCRIPT APPLY.

GENERAL EDUCATION COURSES ARE MOST APPLICABLE.

To be eligible to participate in Alternative Routes to Licensure to earn an Early Childhood or Elementary Education license, your transcript must show between 27-38 semester credits related to the Utah elementary education core curriculum. On the quarter system, count a minimum of 40 credits and a maximum of 60. Courses not related to the elementary core curriculum may not be recorded. To convert quarter credits into semester credits, multiply by .66. Each subject area must show at least one applicable course. Only the maximum number of credits can be counted in each category. **(Click to see a sample transcript review)**
